## About triexta

Redbook Green triexta combines innovative carpet manufacturing with breakthrough Sorona® polymer technology from Du Pont™.

The Sorona® polymer used to make Redbook Green triexta carpets contains 37 percent annually renewable plant-based ingredients, placing less reliance on non-renewable resources. It also generates less greenhouse gases in production than nylon.\*

### How triexta carpet is made

\*Greenhouse gas emissions from the production of Sorona® are 63% lower than nylon 6 and 56% lower than nylon 6.6 (CISO standard 14040), DuPont™ Sorona® contains 37% renewably sourced ingredients by weight.

## Our most pet friendly carpet ever!

Here in Australia, we love our furry friends! With so many pets playing a big role in our daily lives, one of the biggest considerations for pet-owners is finding the right flooring. Created with pets in mind, Redbook Green triexta carpet makes it simple for your family to enjoy life as it happens, even when things get messy!

### Why pick Redbook Green triexta carpet?

- ✓ Built-in stain resistance that doesn't allow pet mishaps to penetrate the fibre
- ✓ Extra durable spring like molecular fibre structure so you can let your pet play all day without a worry
- ✓ More individual filaments per fibre creating a super soft foundation for your pets to lounge on
- ✓ Easy to clean with just cold water

With Redbook Green triexta carpet in your home, every room is ready for your family to create life-long memories with your pets.

## Built-in stain resistance.

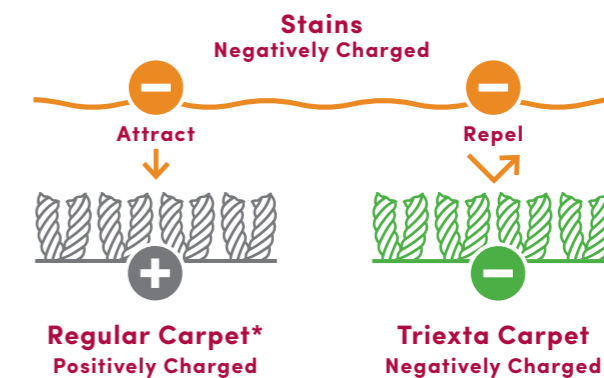

### Stain Protection

Redbook Green carpets have lifetime stain resistance built into the core of each triexta fibre that will never wear or wash off.

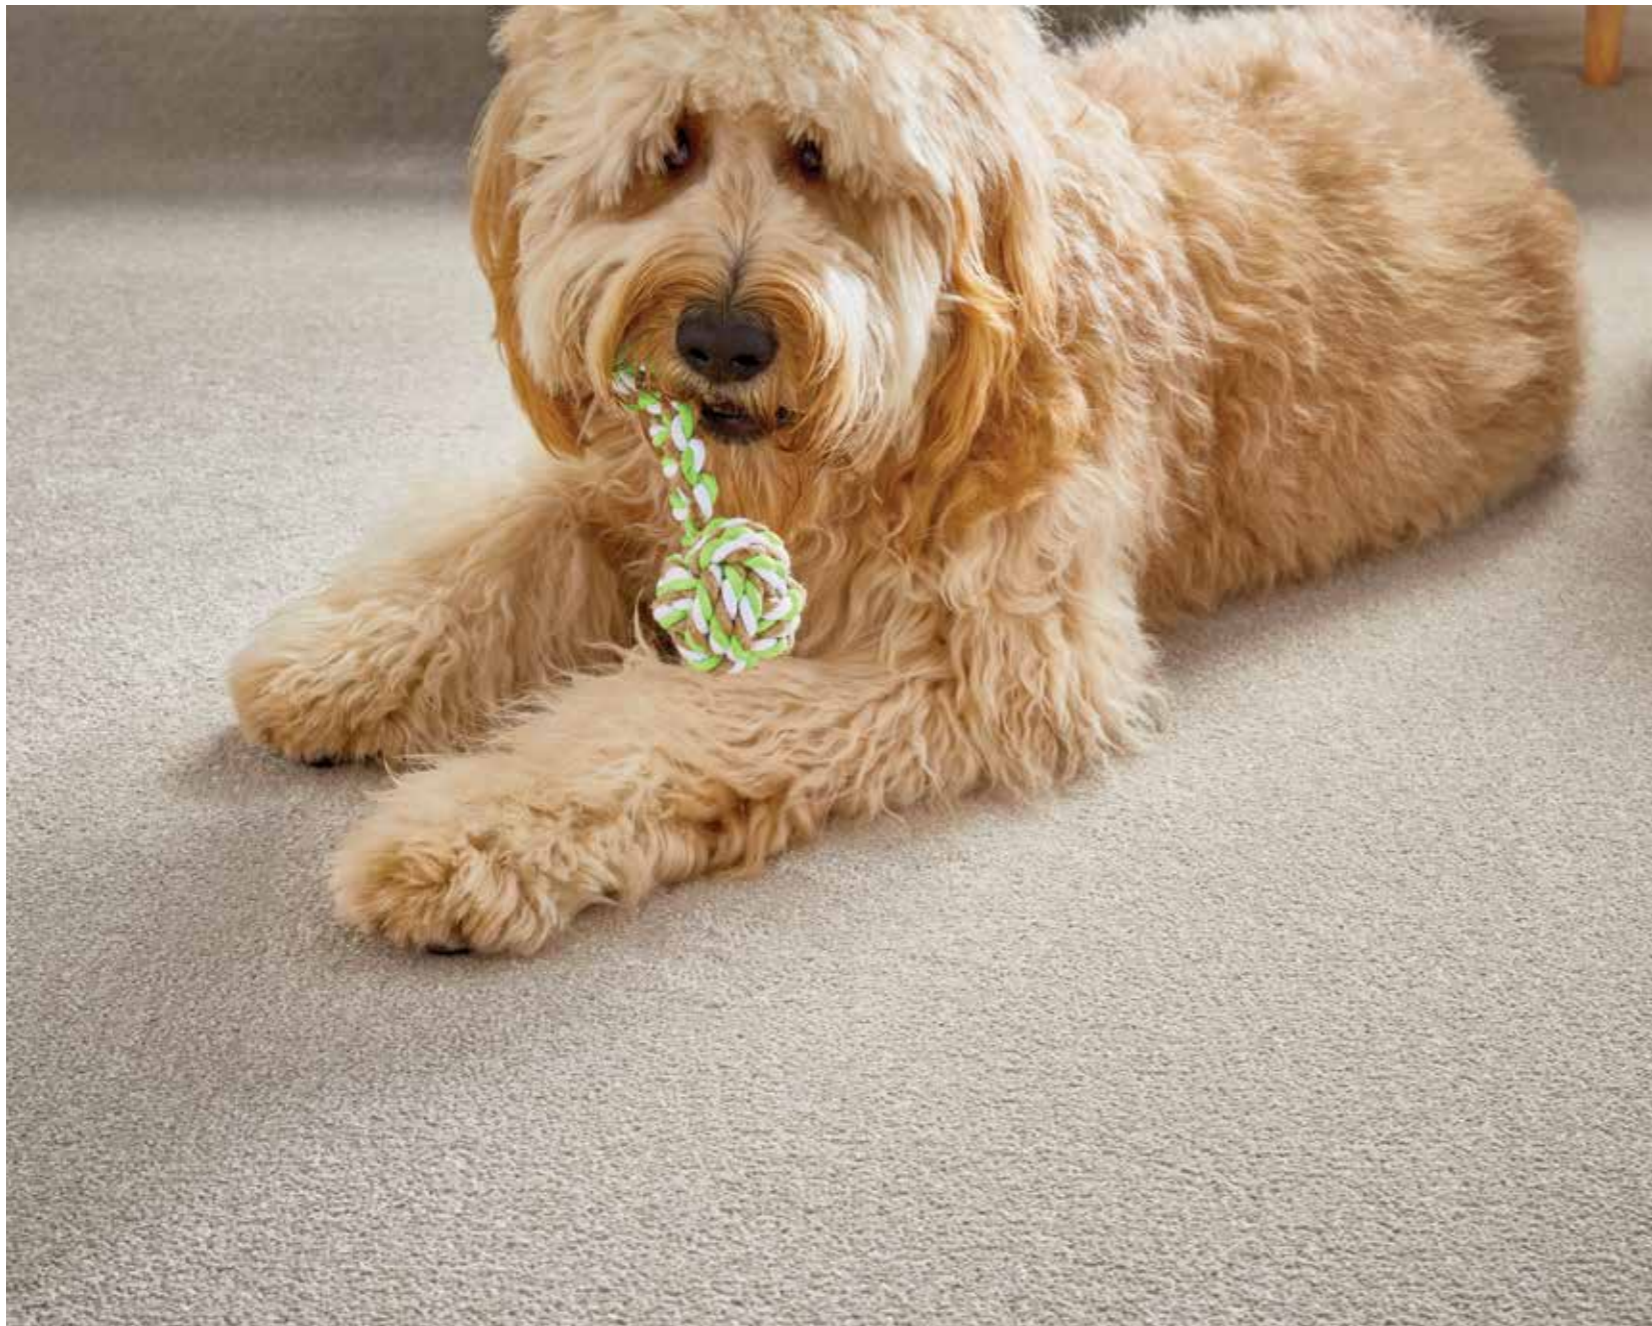

Cold water is all you need to remove tough stains like red wine, tomato sauce and pet mishaps. This is thanks to the break-through Redbook Green triexta carpet fibres that are negatively charged, naturally repelling spills to prevent stains.

Put simply, staining can occur on regular carpets when a spill bonds to the fibre. But Redbook Green triexta carpets have no dye sites, preventing spills from adhering and becoming stains. Spills sit on the outside of the fibre where they can be easily washed away with just cold water.

Redbook Green triexta carpet provides a Lifetime Pet Protection Warranty<sup>^</sup>, to protect against stains from little accidents around the home.

<sup>^</sup>Typical treatments may create a temporary negative shield that will eventually wash off and wear away.

# Durable

Unlike other fibres, triexta has a unique kinked molecular structure, this means that Redbook Green triexta carpet will continue to bounce back into shape, even after years of foot traffic.

With the superior combination of softness and durability, Redbook Green triexta carpet will withstand the most demanding household environments and retain its beautiful look and feel over time.

# Our warranties

Purchase with confidence, knowing that all Redbook Green triexta carpets are made to the highest standards in Australia, with genuine warranties supported by local after sales service.

<sup>^</sup>These warranties are in addition to consumers' rights under the statutory consumer guarantee provisions in the Australian Consumer Law, which may exceed the rights under these warranties. Conditions apply: Warranties apply to residential indoor use of the carpet in an owner-occupier residence (excluding stairs unless appropriately rated) installed and maintained in accordance with manufacturer's guidelines. The amount recoverable under the warranties decreases after five years. For full information in respect to the scope and limitations of these warranties, this label must be read in conjunction with the Redbook Triexta Carpet Warranty & Care Guide (Australian Edition) (which also includes further information as to the installation, care and characteristics of Redbook Green triexta carpets) available from your retailer, by calling 1300 130 239 or by download from [www.redbookcarpets.com](http://www.redbookcarpets.com).  
<sup>†</sup>Check label on samples for period of warranty applicable to any particular product.
